

Introducing a brand new concept
for storing feminine hygiene products

LadyCase™ Home Dispensers

for sanitary napkins (pads), panty liners and tampons

The LadyCase™ Dispenser is the only dispenser of its kind in the world

The LadyCase™ feminine hygiene product dispenser discreetly and hygienically stores and dispenses sanitary napkins, panty liners and tampons, preventing them from becoming exposed to dust and other contaminants. A space-saving revolutionary system, its special design mechanism dispenses a single clean, dry sanitary napkin, panty liner or tampon at a time with just the touch of button.

It conveniently mounts on the wall or may be placed unobtrusively on any bathroom surface for a clutter-free bathroom.

Discreet, intimate and compact, LadyCase™ is the perfect solution for storing and dispensing feminine hygiene products at home.

- Refillable and has its own indicator window
- Simple to clean
- Multiple dispensers can be combined into a single dispenser for several types of feminine hygiene products
- Installation on any type of wall is fast and easy using specially designed wall brackets
- Made of environmentally friendly plastic
- Suitable for all brands and sizes of sanitary napkins, panty liners and tampons
- Eye-catching design

All products are international patent pending
